BRUSH COLLECTION

Collection will be every Tuesday for the months of April, May and June & Sept., Oct and Nov.

Please place small size brush in a rigid container at the curb or tie it in bundles not to exceed **6' or 50lbs. Limit 6 bundles per week.**

The Borough has purchased a wood chipper for your convenience. We will chip a **maximum of 10 large pieces** not exceed **12' in length or 4" in diameter**. Place the limb lengths at the curb facing the same direction with the cut end at the curb.

During the months of July and August we will pick up **small hedge trimmings only** on the first & third Tuesday of those months. Please place the trimmings at the curb the night before in a rigid container, not to exceed **50 pounds**.

Grass collection will start on April 5th (weather permitting) and continue on **Mondays** for the summer months. Remember to place the grass clippings at the curb on the evening prior to collection in a rigid container which can be dumped into the truck. **Bags of grass clippings will not be accepted.** Please limit the weight of the container to **50 pounds**.

The Lake Musconetcong Community Association encourages all lake residents to practice responsible waterfront stewardship. Please.....

DO NOT rake, blow, or dispose of autumn leaves in the lake.

DO NOT mow or dump lawn clippings into the lake.

DO NOT toss spoils from gardens, fruit trees or any other plant material into the lake.

DO NOT dispose of paint, stain, or any waste water with detergents or petroleum products into the lake.

DO NOT DISPOSE OF ANIMAL WASTE INTO THE LAKE.

The above materials add harmful biomass, unwanted nutrients, and pollutants.

Apply lawn fertilizers conservatively and a distance from your shore.
