To: Netcong Elementary School Parents,

Your children's safety, to and from school, is of the utmost importance. Please remind your children, if they are walking to school, they must follow the instructions of the crossing guards. Please instruct your children not to cross the intersection until the crossing guard tells them it is safe to do so. If the crossing guard is busy crossing other children, please have your children wait until the crossing guard is free before they cross.

If you have any questions or concerns, please do not hesitate to contact me at the above number.

Thank you.
